

FIRST REGIMENT TO GO INTO CAMP

Will Spend a Week at Morehead
in July, and Other Commands
Will Follow.

FRUIT CROP IS VERY GOOD

Yield of Peaches, as Well as Apples
Much Larger Than Was
Expected Earlier.

[Special to The Times-Dispatch.]
RALIGH, N. C., June 27.—The official announcement comes from Adjutant-General T. R. Robertson, of the North Carolina National Guard, that the First Regiment of Infantry will go into camp at Camp Glenn, Morehead, July 20th, for about one week. The details of the movement to Morehead, along with the determination as to the actual duration of the encampment, will be worked out and announced later. The encampments of the other two regiments will follow on dates yet to be fixed. The companies constituting the First Regiment are Company A, Hickory; Company B, Salisbury; Company C, Winston-Salem; Company D, Charlotte; Company E, Statesville; Company F, Asheville; Company G, Shelby; Company H, Waynesville; Company I, Mt. Airy; Company K, Asheville; Company L, Concord; Company M, Lexington. The encampment will be especially for target practice and

Reports coming to the entomologist's department of the State Department of Agriculture show that in spite of the great complaint that went up in the early spring that the fruit crop was largely destroyed, the yield is proving one of the largest in years, this applying to peaches, as well as apples. With reference to the development of commercial orchards in this State, it is interesting to note that of the orchards sufficiently large to be factors in putting fruit on the market and being conducted for that purpose the increase is very marked.

For instance, Haywood county has, according to reports received by the department, fifty-nine such orchards, with 62,000 apple and 13,000 peach trees. Moore county is next, with twenty commercial orchards and 65,000 trees, nearly all peach; Wilkes has fifty-six orchards, with 57,000 trees, all apple except 5,000 peach; Watauga has forty orchards, with 53,000 apple trees. Surry reports seventy-three commercial orchards, but they contain only 40,000 trees. The department is making special effort to develop the fruit industry, and with a readjustment of express and freight rates from the Western to the Central and Eastern points within the State, the business can be made very profitable.

His Mother Very Ill.
State Insurance Commissioner Jas. R. Young has been recalled from the State Democratic Convention at Charlottesville on account of the desperate illness of his mother, Mrs. P. W. Young, who had a fall at the home of her son here ten days ago. She was improving steadily until Thursday night, when she suddenly had a turn for the worse that made it necessary to summon Commissioner Young to her bedside, he being in Charlotte, guarding his interests for renomination.

Be Named After Kitchin.
A new-born male child was found in the back lot of the residence of Mr. John Simpson, on West Jones Street, last evening, just after the heavy rain. It was in a satchel, and had received no attention. It was carried to Rex Hospital, and is reported to be in good condition, weighing eleven pounds. Those interested in the welfare of the child agreed that it should be named for whatever candidate for Governor was nominated by the Democratic convention at Charlotte. The identity of the mother has not been fixed.

MEN OF ASHLAND FORM ASSOCIATION

Starts Out With Good Membership,
and Officers Soon to
Be Elected.

[Special to The Times-Dispatch.]
ASHLAND, Va., June 27.—The Business Men's Association of Ashland, Va., held a very interesting meeting last night with a full attendance. The committee appointed at a meeting held last week to draft a constitution and by-laws submitted its report, which was adopted. The association is on a firm financial basis, and it is possible that at the next meeting, at which officers will be elected, the subject of applying for a charter will be taken up and acted upon. The articles adopted last night are fashioned after the Chamber of Commerce of Richmond, modified to suit conditions in Ashland. Considerable interest was displayed by the members in the formation of the association, and all believe that it will be of great benefit to this wide-awake and growing town.

WILL NOT EVADE PAYMENT.

Guarantee Company Says All Due on Fawcett's Bond Will Be Paid.

[Special to The Times-Dispatch.]
BUCKINGHAM, Va., June 27.—Mr. E. C. Gardner, representing the United States Fidelity and Guaranty Company of Baltimore, has been here investigating the affairs of the Buckingham Bank to ascertain for what amount the company is liable as surety on Allen K. Fawcett's bond as cashier. Fawcett was the local agent for the company, and Judge John R. Moss was their local attorney. Mr. Gardner said his company did not want to get around assuming any amount for which they might be liable on any technical grounds. He introduced himself to Mrs. Fawcett and explained the nature of his business here, saying he hoped her husband would yet come back and make good his shortage, and advised Mrs. Fawcett to remain here until the matter could be adjusted.

It is said that David H. Fawcett, who committed suicide in Ohio and who was Allen K. Fawcett's father, had his life insured for a considerable amount, and it is thought probable that young Fawcett's mother may use her means thus acquired to make good the son's shortage here.

NEW SCHOOL AT WILLIAMSBURG.

Work Being Pushed on Building for the Female Institute.

[Special to The Times-Dispatch.]
WILLIAMSBURG, Va., June 27.—One of the most interesting and attractive places in Williamsburg now is where the building for the Williamsburg Female Institute is being erected.

The home for the new school is being erected by Norfolk Presbytery. It is a modern structure of pressed brick, peculiarly adapted for a boarding school, and is said to be one of the handsomest in the State, this being the first of three which are proposed.

The location is one of the most popular residential sections of the city, occupying about four blocks, and in full view of the Chesapeake and Ohio Railway.

TOLD TO SEIZE HORSES.

Alleged to Have Been Sold Without Authority of Receiver.

NORFOLK, Va., June 27.—The clerk of the United States Court here received in

order to-day from Judge Waddill directing that rules be issued, returnable July 13th in this city, against Samuel Sweet, Leroy Wagner, Fred Sanford, the Newport News Distilled Ice Company, the Citizens' Railway, Light and Power Company, to show cause why their estates should not be held for the value of two horses, alleged to be the property of the Old Dominion Brewery and Ice Company, and which horses it is claimed were sold by Sweet and Wagner to Sanford without the consent of the receivers of the Old Dominion Brewery and Ice Company. The court further directs that if the horses are found the receivers shall have them seized.

The brewery company receivers are instructed to reduce the insurance on the property in Newport News from \$150,000 to \$100,000, and to pay certain interest charges.

Would Not Accept Nomination.

[Special to The Times-Dispatch.]
NORFOLK, Va., June 27.—It has been reported that the Republicans would nominate Mr. W. Ashby Godwin, assistant cashier of the Norfolk National Bank, for Congress as an "anti-Bryan" Democrat in the hope of winning votes for Taft. Mr. Godwin is a Democrat, and declared to-day that he would not accept such a nomination.

Munn—Gates.

Miss Fannie Lucetta Gates and Mr. Jesse D. Munn were married in South Norfolk on Tuesday evening. The bride is the daughter of Dr. T. J. Gates, of South Norfolk. The groom is superintendent of the Traction Company, of Durham, N. C., and is a brother of Mrs. Dr. S. J. Porter, of Richmond. En route to their home in Durham, the newly wedded couple stopped in Richmond, where they were given a reception in the home of Dr. and Mrs. Porter, on West Grace Street.

CASES POSTPONED

Two City Matters in Federal Court Go Over Until July.

Judge Waddill agreed yesterday to a postponement of the suit of the City of Richmond versus the Western Union Telegraph Company, to compel the latter to place its wires underground. The matter goes over until July 24th, in order that the record may be printed.

The other case is in relation to the ordinance recently adopted by the City Council compelling the street railway companies here to issue universal transfers. The court issued a temporary injunction in this case, and fixed to-morrow as the day for the city to appear and show cause why the injunction should not be made permanent.

Judge Waddill postponed the matter until the 24th of July. Both cases are expected to be called on that date.

Commission to Judge Turpin.

Commissions were issued yesterday from the office of the Secretary of the Commonwealth to Judge W. M. Turpin, of the Circuit Court of this city, and to Judge J. Lawrence Campbell, of Bedford, who was elected to the judgeship of the new Thirtieth Circuit, created at the last session of the Legislature.

Returned Home to Be Arrested.

Frank F. Edwards, who has been wanted by the Henrico authorities for eight months on the charge of stealing from J. W. Denkins, was arrested near Centerville, Gloucester county, by Constable C. O. Burch on Friday. He had just returned from West Virginia.

UNIFORM COURSE IN HIGH SCHOOLS

Plan Adopted by Association for
United Action in Preparing
for College Entrance.

EXCELLENT ADDRESSES MADE

Dr. Mitchell, Dr. Smith, Professor
Thornton and Others Speak.
Those Who Attended.

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, Va., June 27.—The Association of Colleges and Secondary Schools of Virginia adjourned at noon to-day after what was probably its most important meeting since its organization. The report of the committee appointed to suggest an advisable improvement in the State course for high schools, really with a view to securing united action on the subject of requirements for college entrance, excited great deal of discussion, mainly directed at details. In these discussions representatives of almost every college and secondary school in Virginia showed the deepest interest.

In spite of the wide range of discussion, the conference got together when it came to a final vote, the committee having sustained their views as embodied in the report with such spirit and strength that the report, as presented, was unanimously adopted in its entirety. The same committee was requested to present the report to the State Board of Education, with a view to having that body put its provisions into effect. It seemed to be the conviction of all concerned in the meeting that its action marks a great advance in the educational forces of the State.

Several Speeches Made.

Dr. S. C. Mitchell, of Richmond College, addressed the association on the topic, "What Is a College?" directing the thought to plans for correlating the work of the colleges and secondary schools.

The subject, "What Steps Should Be Taken Towards Effecting Greater Uniformity in College Entrance Requirements and Standards for Graduation," was discussed by Professor W. M. Thornton, of the University of Virginia; Dr. W. W. Smith, of the Randolph-Macon System; Professor Hammond Wilson, of Cluster Springs Academy; George Bain, of the Norfolk High School; A. L. Burger, of the Lynchburg High School, and P. S. Barnes, of the Danville High School, and others.

The following resolution was passed: That a committee of five be appointed to draw up a minimum requirement for admission to college and a minimum standard for graduation. The association elected officers for the ensuing term, as follows: Professor William R. Smith, of the Petersburg High School, president; to succeed Dr. J. Gray McAllister, of Hampden-Sidney College, resigned; Professor J. M. McBryde, Jr., of Sweet Briar Institute, secretary and treasurer, vice D. W. Persinger, of Roanoke.

Survivors of the Hampden-Sidney Boys, Civil War Veterans

Photograph Taken at the Reunion of the Company, Held at Hampden-Sidney, June 9th.

[Special to The Times-Dispatch.]
HAMPDEN-SIDNEY COLLEGE, June 27.—Of the thirty or more survivors of the "Hampden-Sidney" boys, Civil War veterans, a little over one-third managed to get back to the reunion held at Hampden-Sidney during the last commencement. Among those were Lieutenant Tazewell M. McCorkle, of Lynchburg; Sergeant W. W. Page, of Cornwall, N. Y., and Privates S. B. Hannah, of West Virginia; J. K. Hannah, of Appomattox; J. Z. Holladay, of Charlottesville; H. C. Rice, of Charlottesville; Dr. J. W. Ayler, of Newport News; Thornton A. Holman, of Cumberland; F. L. Walker, S. V. Watkins and Nash Morton.
Besides the members of the Hampden-Sidney company, there were a number of alumni veterans who had joined

pany, composed of students of Hampden-Sidney, volunteered early in the war, and went out under their president, Dr. J. M. P. Atkinson, as captain, being attached to Colonel Pegram's command. They were captured at Rich Mountain, paroled and sent back to college, after which they were exchanged, and nearly all entered other commands.
